Your tractor, tools, quad bike and mobile can be all logged on immobilise.

You know how valuable your working tools and machinery are. **So do burglars.** There's a simple step you can take to deter thieves, help the police make successful prosecutions and make sure you get back your stolen property quickly if it's recovered.

In a matter of minutes you can register your property on IMMobilise for FREE by following these 2 simple tips.

Step 1

Collect all the details of your identifiable valuables from around your home and farm.

Step 2

Visit www.immobilise.com and follow the instructions to register your valuables. It's FREE and only takes a few minutes.

If your valuables are stolen you simply inform the police and then go to www.immobilise.com to update your item's status. If your property is recovered by police, it can be traced back to you.

Using IMMobilise and stickering your valuables, home, farm, and car can deter thieves, hinder criminal dealers and reduce theft. But more importantly it can keep your prized belongings, vital equipment and valuable memories safe.
