

MEET YOUR NEIGHBOURHOOD POLICING TEAM

There are many opportunities for you to come and meet the team, talk to us about any issues or concerns, or get crime prevention advice.

As well as patrolling your area we will be at:

- **Beat Surgeries and Have Your Say Meetings**
These are held regularly in a variety of public places, such as your local shopping centre, library or community centre.
- **Mobile Police Station**
Look out for our police station on wheels when it comes to your area and pop in to see us.
- **Street Briefings**
These are arranged by the police if there is a specific issue affecting an area so it can be discussed with local residents.
- **Community Events**
We will be at various events in your area, from coffee mornings to festivals.

For all information regarding local meetings and priorities along with opportunities to meet your policing team visit the 'Your Area' section of the website www.avonandsomerset.police.uk or look out for information in your local area.

HELP SET YOUR LOCAL PRIORITIES

Come along and let us know any issues that are concerning you in your area and help to set your local priorities at your **Neighbourhood Forum**.

Neighbourhood Forums are regular open public meetings run by Bristol City Council and attended by the Neighbourhood Policing Team and other partner agencies. We will work with you to find the best way to resolve local issues.

You will also receive a local policing update which will include details of what's being done to tackle any issues in your area as well as crime prevention advice.
